

In Memoriam Donation Form

Mission

— *Redonnons l'espoir.* — FONDATION AMAL is a Montreal-based non-profit foundation. Amidst increases in societal and economic challenges, we aspire to achieve a global society where chronically ill children and those with physical and mental challenges have free and equal access to resources for improving their well-being and instilling a sense of hope. Through public fundraising events, our mission entails providing financial support to Quebec-based charitable organizations that communicate a central focus on bettering the lives of these children.

I would like to make a donation in memory of / in honour of:

We will notify the family indicating that you have made a donation to Fondation Amal. Please provide the required information about the family:
